From the sermon by Bert Griffith, pastor, West Bethel Union Church, Sunday, Feb. 18, based on the scripture, Romans 13:11-14 which reads: "And now do, understanding the time is now the hour for us to rise from sleep, because now our salvation is nearer than when we came to believe. The night is far advanced; the day is at hand. Let us therefore lay aside the works of darkness, and put on the armor of light. Let us walk becomingly as in the day, not in strife and drunkenness, not in strife and jealousy. But put on the Lord Jesus Christ, and as for the flesh, take no thought for its lusts."

What is today? Today is the first day of the rest of your life. Praise God. Today is that moment, right now that moment we are living in when we can just be filled with the Spirit of God. Even though the wind whistles around outside, and the chill factor is down to 80 below, we can be warm on the inside. Today we have an opportunity to serve the Man who walked the hills of Judea. We have the opportunity to fellowship with the apostles. We have the opportunity to really work for the Kingdom of God.

Salvation is resurrection from the dead. The wages of sin is death (Romans 6:23). We are dead. Everybody who has never met Jesus Christ on Calvary is dead in sin. The Bible says so. There is a vacuum in the heart of a man who tries to fulfill this emptiness in his heart with pleasures of this world. As we get more and more education, we find out how little we know. There is still an emptiness.

From the sermon by Bert Grif-
fith, pastor, West Bethel Union
Church, Sunday, Feb. 18, based
on the scripture, Romans 13:11-14
which reads: "And this do, under-
standing the time is now the hour
for us to rise from sleep, because
now our salvation is nearer than
when we came to believe. The
night is far advanced; the day is
at hand. Let us therefore lay
aside the works of darkness, and
put on the armor of light. Let
us walk becomingly as in the day,
not in revelry and drunkenness,
not in strife and jealousy. But
put on the Lord Jesus Christ, and
as for the flesh, take no thought
for its lusts."

What is today? Today is the
first day of the rest of your life.
Praise God. Today is that moment,
right now that moment we are liv-
ing in when we can just be filled
with the Spirit of God. Even
though the wind whistles around
outside, and the chill factor is
down to 80 below, we can be
warm on the inside. Today we
have an opportunity to serve the
Man who walked the hills of Ju-
dea. We have the opportunity to
fellowship with the apostles. We
have the opportunity to really
work for the Kingdom of God.

Salvation is resurrection from
the dead. The wages of sin is
death (Romans 6:23). We are dead.
Everybody who has never met
Jesus Christ on Calvary is dead
in sin. The Bible says so. There is
a vacuum in the heart of a man
who tries to fulfill his emptiness
in his heart with pleasures of this
world. As we get more and more
education, we find out how little
we know. There is still an empti-

ness inside us unless Jesus Christ
comes in and fills it up. Christians
today are living empty, shell-like
lives because they do not allow
the living Christ to come into
their hearts and possess the ves-
sel. In Ephesians 2:1-4, we are
told that we have been made alive.
We are quickened, we are raised,
we are made to sit, we have been
justified and regenerated.

This death to sin, by being made
alive to Christ, is illustrated by
Baptism as explained in Romans
6:3-10. "Do you not know that all
we who have been baptized into
Christ Jesus have been baptized
into his death? For we were
buried with Him by means of
Baptism into death, in order that,
just as Christ has arisen from the
dead through the glory of the
Father, so we also may walk in the
newness of life. For if we have
been united with Him in the like-
ness of his death, we shall be so
in the likeness of his resurrection
also."

For the one in Christ then, a
new day has dawned. A new pos-
sibility exists. We are not to sleep
on as the world does. Look at
Ephesians 5:14, "Awake thou that
 sleepest and arise from the dead,
and Christ shall give you life."
You are to wake—wake up—rise
up from the dead. It is here we
find the dwelling new life.
Christ will give you the supernat-
ural power to do it—if you awaken,
and if after being awakened you
get up. But you must get up. You
must open your eyes. A new day
has dawned for the Christian. We
are to wrap ourselves in the robe
of the new life and discard the
old life. We are literally to "put
on" the new life, and live in a
manner approved by the Lord,
Jesus Christ.

The mechanics for living the
new life are developed in Ephesi-
ans 4:22-32 and Colossians 3:1-17.
We are to put away lies, speak
only the truth. Do nothing deceit-
ful, and put away anger. Sin not.
Let not the sun go down upon
your wrath, neither give place to
the devil. Steal no more, but labor
with your hands. Let no corrupt
communication proceed from your
mouth, but let only good which is
of use to others. Let communica-
tion come from your mouth that
is pleasing to God. These verses in
Ephesians and Colossians are good
verses to memorize. They tell you
how to live the Christian life, and
there is something else that you
will find as you begin to go over
these verses in your daily walk.
You will find help. Christ and the
Holy Spirit will help you. As Paul
also says in Philippians 3:13-14,
"Forgetting those things which are
past, reaching forth to those things
which are before, I press toward
the mark of the high calling of
God." Let us put on the armor of
light—Let us walk honestly in
the day!

Whenever a person is forced to
think about the purpose of life,
he cannot help but see how mean-
ingless it is without God. How
different is the lifestyle and the
outlook of the believer. He can
enjoy the present; he can contem-
plate death without any fear, be-
cause he possesses the assurance
that enables him to say, "God will
redeem me from my soul—from
the power—for he shall receive
me." (Psalm 49:15).

If you have been careless living
from day to day with no concern
for your eternal destiny, it is time
to do some serious thinking. Ack-
nowledge your sin and your lust
condition, and believe that Jesus
Christ died for you, and arose
from the dead. Accept him as Sav-
iour, accept him as Lord. He will
give you light and life—enrich-
ing the present and brightening
the future. Don't go on living with
emptiness in your soul. You can
know the full Salvation. You can
know the full life. We ought to
live as though Christ is coming
back this very day, and we ought
to labor as though he would never
come back. The only day that
we have this opportunity to accept
the Lordship of Christ is today.
Put on the Armor of Light!

Andover

— Mrs. Marjorie Jodrey, Corres. —

Mrs. Ernestine Boyington, South
Portland, is visiting her sister,
Mrs. Dorothy Campbell, for sev-
eral weeks.

The water company people
have been busy thawing water
pipes. It would be a good idea if
you haven't already, to start a
bleeder pipe or hose to prevent
your pipes from freezing.

The March meeting of the An-
dover Senior Citizens will be held
March 15th at noon. The date
change is due to the bus schedule.
This will be a combination Valen-
tines and Saint Patrick's meeting.

Another change on Main Street.
On Saturday, Feb. 24, the Postal
Service moved into its new build-
ing on the corner of Main and
Church Streets. This is quite a
change. The Post Office has been
in the same place for over 60 years
or more, in the building owned
by Ethel McAllister who was Post-
master, then by William French,
and upon his death owned now by
Donald French. The new Post
Office is a very nice looking build-
ing and much larger work space.
The building is owned and was
built by Arthur Myhrall, Jr.,
and opened for business on Mon-
day, Feb. 26. An open house is
being planned later in the spring.

"Millennium". On Friday, Feb. 23,
the Youth Group went bowling and
were invited to a delicious supper
at the home of Pastor and Mrs.
Leon Strout.

On Wednesday, Feb. 21, the La-
dies Aid of the First Congrega-

It has been brought to my at-
tention that Paula Putnam is avail-

Newry

— Miss Amy Hanscom, Corres. —

Mrs. Louise K. Tetley, town
clerk and treasurer for the past
three years, announced Monday
that she would not be a candidate
for reelection at the annual town
meeting, March 5. Mrs. Tetley and
her husband, Norman, moved here
from Rhode Island in 1973, after
having been part time residents
since 1958. Since coming to Newry,
Mrs. Tetley has been employed at
the Casco Bank and Trust Com-
pany. She had worked as a book-
keeper while living in Rhode Is-
land. She was first elected Clerk
and Treasurer in 1976, succeeding
Mrs. Bertha Davis, deceased, who
had served in that position since
1951. Mr. and Mrs. Tetley plan to
retire and want to do some travel-
ing, and she feels that she cannot
continue her job and do this. Mrs.
Tetley also serves as Registrar of
Voters, an appointive office.

Mrs. June Swan has announced
that she will be a candidate for
town clerk and treasurer at the
annual town meeting, March 5, a
post being vacated by Mrs. Louise
K. Tetley. Mrs. Swan attended
Newry schools and graduated from
Gould Academy, Bethel. She at-
tended beauty culture school and
worked as a hairdresser for a
time. She and her husband, A. Lee
Swan, are both natives of the
area, but lived in Barre, Vt., for
some years before returning to
Newry three years ago. While in
Vermont, Mrs. Swan worked in a
law office and in the office of a
foundry company. Since returning
to Maine, she has worked part time
in the office of the Ekco Company
in Locke Mills. She has had ex-
perience as a clerk-typist, secre-
tary and bookkeeper. The Swans
have three children, all living in
Vermont.

TROUBLE-SHOOTING WORKSHOP HELD AT ANDOVER LAST MONTH

A sawmill trouble-shooting work
shop, held last month at Andover
Wood Products Company in And-
over, attracted 64 mill owners,
managers, millwrights, and other
interested people, according to
George Bourassa, Utilization and
Marketing Forester, Maine Forest
Service.

"The idea behind the workshop
was to show mill personnel how
they could improve their sawing
accuracy by using commonly av-
ailable tools or self-made gauges.
When a mill is sawing accurately,
less wood is wasted in the form
of thin boards or shavings and
more lumber is sawn from the
same amount of logs," said Peter
Lammert, Assistant Utilization
Forester, who helped organize the
workshop.

Technical assistance was pro-
vided by Sumner and Fred Oleson,
from E. G. Oleson & Son, West-
brook. Sumner Oleson demon-
strated how to check track level-
ness and alignment, carriage al-
ignment, and the dish in saws and
saw collars. Fred Oleson discussed
problems of saw teeth that become
loose or break, sawdust which
leaks through loose or worn cir-
cles, and the proper procedures
and teeth for sawing frozen logs.
He demonstrated how a saw is
tensioned or "hammered."

Representatives from 25 mills
attended the session, including
sawyers and millwrights from Star-
bird Lumber, Strong, Stowell Mac-
Gregor, Dixfield; F. E. Wood &
Sons, East Baldwin; Paris Manu-
facturing Inc., South Paris; and
Forster Manufacturing Co., Wil-
ton. In addition, representatives
from Ethan Allen plants—the par-
ent company of Andover Wood
Products—in Vermont and New
York attended.

A workshop for band saw filers
is in the planning stages at the
Olesons' Westbrook shop. Other
sawmill trouble-shooting work
shops are being planned.

More information on this and
other workshops is available from
the Utilization and Marketing Di-
vision of the Maine Forest Service
at Augusta, Maine, 04333.

WALKING WITH JESUS CHRIST Is It For Real?

Ever see the "Wet Paint—Don't
Touch" sign? And then someone
touches the paint to test it? The
"thin ice" sign tempts us to prove
it. That railroad crossing sign
means: "Better look and listen!"
There are all manner of signs:
from "wet floors" to "bright
lights"—from rocky shoals to sand-
bars—medicines to cigarette smok-
ing—caution signs everywhere—
but you never saw a sign on a
King James Bible "Beware"—"do
not test nor check it out before
believing"—"not good for chil-
dren."

The Bible is the Word of God—
written under the inspiration of
the Lord. — "The English word
"Bible" comes from the byzian
reed used in making of ancient
scrolls—and from the Old French
from Latin "biblia"—from the
Greek. Moses wrote the Penta-
teuch, the first five books—while
John wrote the last of 66 books,
the Book of Revelation. Recent
findings of the Peshet, Isaiah—
dated 470 years before Christ—
shows the 53rd chapter to be al-
most letter perfect—as transcribed
in the King James version of the
Bible. There are modern versions
of the Bible—the latest being the
New International Version, which
adheres to the King James.

One may ask—how do we know
the Bible is for real? OK, take the
King James version for example
and test it. You may spoil the

paint job by testing—but not the
Bible truths by proving them. See
1 Corinthians 15—verses 3 and
4: For I delivered unto you first
of all that which I also received,
how that Christ died for our sins
according to the scriptures." There
are at least 56 verses from Mat-
thew to Revelation to prove Christ
died for our sins, example: Rom.
5:6, 5:21 and Eph. 5:2. Verse 4:
"And that He was buried, and
that He rose again on the third
day according to the scriptures."
There are some 14 verses to sub-
stantiate the fact "He rose again."

Many Bibles have concordances
—while Strong's concordance has
every word in the King James Bi-
ble cross indexed.

All this to put us on guard
against false prophets and teachers
—being led astray is like touching
wet paint, it rubs off on you—for
no greater pleasure has Satan than
to see God's children being seduced
by believing something not Biblical.

The Bible says "Be sober, be
vigilant, because your adversary
the devil, as a roaring lion, walk-
eth about seeking whom he may
devour" (1 Peter 5:8). "All scrip-
ture is given by inspiration of
God," and is profitable for doc-
trine, for reproof, for correction,
(II Tim. 3:16).

SOUTH PARIS CHORUS TO PERFORM VIVALDI'S "GLORIA"

Antonio Vivaldi's "Gloria" and
four shorter sacred choral works
will be presented at the First
Congregational Church, South Par-
is, on Saturday and Sunday, March
3 and 4, at 7:30 p. m. The concert
coincides with the anniversary of
Vivaldi's birth date on March 4,
1678.

The concert will be performed
by First and Friends, The Commu-
nity Chorus of the First Con-
gregational Church, which orga-
nized especially for the presentation
of the "Gloria." Soloists for the
concert will be June Sawicki,
Jeanne Berger, Alison Whitney
and Karen Chapman. Organist is
Virginia Noble and the director is
Peter Allen.

The concert is being presented
to raise funds to bring from Ver-
mont the Word of Mouth Chorus,
a group of eight musicians who
perform Early American and shape
note music. That public concert
is scheduled for April 21.

The performances of "Gloria"
are open free of admission charge
to the public. A donation is re-
quested at the door, but is not re-
quired. Receptions will follow both
performances, with refreshments
served in the vestry.

Booths selling seeds, bulbs and
garden tools were attracting many
people.

Wines, beers, wursts and chee-
ses were being sampled every-
where. There were hundreds of
vine tasting booths, and none
seemed to be lacking customers.

For ten days recently the "place
to go" in Berlin was Internationale
Grüne Woche (Green Week). The
enormous Funkturn was the site
for the 23 exhibition halls. It was
like a combination garden, home,
agricultural, horticultural show all
tied together with food and wines
from thirty countries. Many halls
were devoted to flowers, shrubs,
trees. One housed only orchids
growing in natural settings of all
kinds; another hall resembled a
springtime walk in a beautiful
wooded garden—thousands of tu-
lips bloomed among the trees in
full leafy array. Forsythia was
completely in blossom as I have
never seen it in our area of winter
kill. Beautifully landscaped for-
mal gardens surrounded fountains.
Many of these plants and bulbs
were started in the hall last fall.
We wondered how 40 foot trees
could survive the transplanting.

We went to Green Week on the
U-Bahn (subway) and just follow-
ed the crowd to the Funkturn. Ab-
out 60,000 people attended each
day, so the aisles were crowded and
progress slow the day the high
school teachers and students at-
tended. On the final day of Green
Week our family arrived when it
opened at 10 a. m. and found the
first two hours very uncrowded
and pleasant.

Each of the 30 countries had
food, drink and exhibits repre-
sentative of its culture. Most sales
people were dressed in native cos-
tume, and the areas were very
colorful. We were naturally curi-
ous to see what items would be
chosen to represent the United
States. There were stalls selling
hot dogs, hamburgers, hush pup-
pies, corn on the cob and lobsters
(from Portland, Maine). Did I de-
tect a Down East twang in the
German tongue as we tried un-
successfully to get information
from the waiter?

The familiar odor of a barn
greeted us as we entered the part
of the agricultural show featuring
live animals. The finest breeds of
cows, horses, pigs, goats, sheep,
chickens, rabbits, chinchillas and
a working beehive in a tulip gar-
den were enthusiastically viewed
by young and old.

In the home section, Saladmas-
ter demonstrations abounded.
Small appliances such as irons,
blenders, mangles, resembled
styles we had in the states 20
years ago.

Tatone's Restaurant in Mexico will be the site of the March 6 meeting of the Western Maine Industrial Management Club. The topic of the evening will be that ever-present problem to all in the field of industrial management—"Absenteeism".

Mr. J. Newman, Vice President of Manufacturing for Cornwall Industries will present the program. While associated with Ethan Allen, Mr. Newman, along with Phil Stewart developed a comprehensive program on "Absenteeism" that was used at their plant very successfully.

He will be passing along to supervisors present, some of the causes and possible cures for this vexing problem.

Also present, will be two representatives from the Bethel area, Don Bean and Don Bennett, currently with the Department of Labor and Manpower Institute.

They will be explaining their organization in an endeavor to improve placement of high school graduates, going into jobs on a community wide level. It is an attempt to find out what industry needs of high school graduates, so they will be better qualified at the time they join the labor market.

Fresh fruit and vegetable displays artistically arranged. Some full-sized apple trees had apples wired on and looked very natural in a garden setting with a small brook running among them.

Special shows included "Europe and its Food", "Our Garden in the Course of the Seasons" and orchid and tree exhibitions.

In the middle of Berlin's worst winter in years, it's small wonder that 600,000 people chose to spend a few hours in a spring-like exhibition hall.

"COMMUNITY BIRTHDAY CALENDAR" AGAIN BEING SPONSORED BY B. F. D.

Again this year the Bethel Fire Department is sponsoring its community calendar, a project which enables the Fire Department to purchase needed equipment without asking full help from the town.

This unique calendar runs from September 1979 through August of 1980, the project is underway at present and will continue through April 30.

Funds raised from this year's calendar sales will be placed in the Department's Plectron Fund, until enough funds are raised to purchase a Plectron for each fireman.

Members of the Fire Department will be calling at your homes. Help out this friendly link with your town and friends and order your calendar from him. Help make this the best year ever. If you are not contacted and desire a calendar, call: 824-2384, 824-2635 or 824-2627, leave your name and you will be contacted.

INDUSTRIAL MANAGEMENT TO PRESENT SCHOLARSHIPS In the spring of 1979, the Western Maine Industrial Management Club will again award scholarships to two deserving Oxford County students who have demonstrated outstanding ability and the potential to attend a vocational school, college or university.

These scholarships will consist of two cash awards of \$300 each, to be paid by the Club to the recipients upon completion of the first term to cover all or part of the tuition for that term.

The purpose of these scholarships is threefold: (1) To provide incentive and assistance for qualified students to pursue higher education; (2) To provide well-trained technical and managerial personnel to work for member companies; (3) To promote the development of competent people to assume the responsibilities of leadership in the fields of education, business, industry and civil administration.

To be eligible, applicants must be a June 1979 graduate from an Oxford County High School, or a student whose parent works for a member company, but resides outside of Oxford County. The applicant must have maintained a scholastic standing in the upper half of his or her class, and be able to meet entrance requirements for the school chosen. The recipient must plan to study an accredited course in business administration at an accredited four year college in the state of Maine, or any course of study at any of the Maine Vocational schools or the Bethel Vocational Technical Institute, or any course of study offering a minimum of an associate degree through the University of Maine system. Preference will be given to applicants whose parent works for a member company, but this is not a requirement. The final decision will be based on High School scholastic and extra-curricular record, financial need, and personal ambitions, moral character, and seriousness of intent.

Applications for further information may be obtained from the Guidance Counselors of Oxford County High Schools, or from Bob Betz at Andover Wood Products, phone 392-2101, or John Chase at Ekco Wood Products, phone 875-2301. Applications must be returned to the Guidance offices no later than April 23, 1979.

The Western Maine Industrial Management Club is encouraging the participation of all graduating students who meet the eligibility requirements.

MAINE CUP X-C SKI RACE HELD AT SUNDAY RIVER SKI TOURING CENTER

Alan Swan, 17, of Paris, and Kim Manson, 14, of New Gloucester, were the top finishers in the First Annual NASTAR Maine Cross Country Cup Race held Sunday, Feb. 25, at the Sunday River Ski Touring Center. In a field of 21 racers, aged 10 to 54, Alan and Kim achieved the lowest handicap ratings after skiing the five kilometer course. Alan turned in a time of 17 minutes 28 seconds and Kim's time was 26:43. Both Alan and Kim are regular racers at Sunday River. This was one of Alan's best races of the year. For Kim, the race was a near disaster, when she lost a ski in the mass start on soft snow. She recovered her ski and composure in time to turn in a fine performance, however.

Tim Carter, 37, a dairy farmer from Middle Intervale raced for his personal best time of the year and achieved a NASTAR gold medal for his efforts. Martin Higgins, 54, of Connecticut skied the course in 28:49 to achieve a silver medal in his age category. He was also recognized as the oldest participant in this event.

Anyone of any ability can ski in NASTAR races held every week end at Sunday River. Special races coming up are the Seventh Annual Sunday River Langlauf on Sunday, March 11 and the NASTAR Championship race on Sunday, March 18.

Order of finish and times: Alan Swan, 17:28; Tim Parent, 17:55; Stuart Payne, 18:30; Jeff Dorr, 18:41; Phil Broomhall, 20:35; Lyndon Leonard, 20:40; Tim Carter, 21:18; Phil Dinsmore, 21:19; Doug Zindchuk, 22:15; Mark Johnson, 22:23; Mike Cappadona, 22:45; Dennis Breton, 23:15; Mike Swick, 23:47; Chuck Kowalzyk, 26:07; Kim Manson, 26:43; Martin Higgins, 28:49; Beryl Manson,

1924 and consisted of a block of 10 cells, (7x7) four stacks high with poor heating, lighting and security facility. The lack of activities for the inmates (almost 400 prisoners and only 200 jobs) and the lack of constructive direction in a way of rehabilitation correlate with the fact so many are returning to prison again and again.

I found the correctional facility in South Portland much better run and more being achieved in rehabilitation.

The committee on Business Regulation, of which I am a member, is currently studying a proposal that if approved would require that polygraph, or lie detector, examiners be licensed by the state in order to conduct the test. Since the public hearing, I have become concerned that lie detector tests should be restricted in their use. At the public hearing some businesses aired that they use lie detector tests on employees and potential employees during job interviews. The use of these tests is to weed out job applicants.

The accuracy of lie detector tests range from 60-75%, and can be an inaccurate method of rating potential employees. This can be an unfair way of rating employees and an invasion of a person's privacy.

Other news in Augusta this week was a group opposed to Maine's "Bottle Law" filing petitions in an attempt to repeal the law. At present the Secretary of State's office is checking the validity of the petitions. If they are valid it will be passed on to the Legislature to determine whether or not the repeal effort will be passed on to the voters in a special election.

Mrs. R. M. Fleet, Corres.

Sent by Mrs. Eva Yates

This past week has brought good news and bad news as well as rainy weather. Bad news is yours truly got notice of the death of a cousin, Lindley Rowe, of Bridgton, and number 2, a phone call from son Carroll, (better known as Tom) says he is so fat he loses his breath when he stoops over to tie his shoes—that is bad. Number 3 is that my son-in-law, Clayton Blake is in the Rumford hospital.

Now good news—Peggy and Clayton Blake arrived in Portland by plane from Florida. Clayton was transferred to Rumford hospital, but we hope for only a few days. Number 2, Thursday noon I heard that good spring sound of caw-caw-caw. Number 3 As we passed by Saturday afternoon the Clifton Jacksons were

trying to get through the snow bank to their home on the river. They were our neighbors years ago and it is always good to have them back.

We read in the paper our neighbor, Eddie Kennett, is soon to be married. Eddie is a good boy and we wish him all the happiness married life can bring.

Raymond Hathaway and friends are visiting this week end at his mother's, Mrs. Eunice Hathaway.

Mrs. Myrna Carter returned home Sunday after helping Heidi Burk hold down the fort the past week while Mr. and Mrs. Fred Burk were on a skiing trip to Montana.

Russell and Eva Yates were in Norway, Feb. 19.

Next meeting of Bear River Grange is March 10, weather permitting—don't forget chicken pie Sunday dinner coming up a little later—M-M good. We have a real

#1 chef that has offered his help, so don't be a loser.

The rain is lowering the snow banks. If it keeps on like this, we will soon be able to see the cars go by. Now the way we tell a car going by is the big bump in the road at the end of Yates house.

Russell and Eva Yates went to South Chatham Sunday with Mrs. Laura Hutchins to get Lucy Adams who had been visiting her brother the past week. It was a lovely spring day for a ride. We saw a lot of places where the water was over the road Saturday in the rain and some places there was water all across the road on Sunday.

Mrs. Laura Hutchins and Lorene Adams were Sunday dinner guests of Russell and Eva Yates.

Friday, Mrs. Peggy Blake, Heidi Burk, Mrs. Myrna Carter and Lorna Lee, were in Rumford shop-

Mrs. Jo Sanderson, Cor.

Arthur Iversen and nephew, Peter Sorensen, from Hamden, Conn., were in town over the week end calling on friends here and in Bethel. They went to see Walter Lord at the Dorr Boarding home, where he is a resident. Mr. Lord guided Mr. Iversen and friends for years. They also visited Jo Sanderson. They used to stay at the Sanderson home while hunting.

The Mikalinski family spent several days last week at their

ping. Then they visited Clayton in the hospital. They found him quite comfortable.

cottage in North Waterford village. They enjoyed some skiing at Evergreen Valley while here.

Clyde Stanton and Jo Sanderson attended the Knight Riders snowmobile club, Tuesday night at East Stoneham, where they are members of the club. The club plan on a trail ride through Evergreen Valley and Evans Notch, March 4, weather permitting. The next meeting is March 13 with a pot luck supper at 5 o'clock.

CARD OF THANKS

We, the family of Stella Skillings, wish to extend our thanks and appreciation to all for the thoughtfulness shown during her illness. Also for the flowers, cards, food, and expressions of sympathy shown during our recent bereavement.

went trail riding up through Evergreen Valley to Evans Notch and enjoyed a cook out, Tuesday, Feb. 20.

Arlene Bean of Bethel, spent the day Saturday, visiting her mother, Jo Sanderson.

Don't forget the Friendly Senior Citizens will hold their meeting Wednesday, March 7, at the church vestry, with the men as hosts.

Jean Weymouth got his hip hurt last Monday while snowmobiling with his father, Wesley Weymouth.

Randy Pike and Albert Weymouth were in Rumford, Sunday and called on Walter Lord at Dorr's Home in Peru.

Upton

— Mrs. Arline Bernier, Corres. —

Many of the camps were occupied during the week end including Porteous, Claude Laval-lee, Thompsons, Cyphers and Felts. Some of these folks are staying for a week of vacation.

The very cold weather has re- lented and we are enjoying not only more comfortable tempera- tures but bright sunshine.

Some children are using part of their vacation week for doctor or dentist appointments.

Andy Aron is getting his drive- way plowed by Mr. Viens after trudging through the snow since the last storm.

The town truck and plow is still stranded on Back Street. We are hoping it won't have to wait until a successor will remove it to get the road clear.

Saturday the 24th and the fol- lowing Sunday, Jack Kincaid will be at the Farmington Assembly of God Church.

The town reports have been re- ceived and are being delivered by Gilles Viens, selectman.

We are enjoying warm weather which makes us feel like dress- ing for spring. Most of us have common sense enough to hold off awhile.

The school bus is in operation after a week's vacation. It had left the scenery so was probably being serviced.

SAVAGE - BRYANT ENGAGEMENT

Mr. and Mrs. William E. Roberts, Sr., are pleased to announce the engagement of their daughter, Patti Ellen Savage to W. Stephen Bryant. Miss Savage is also the daughter of the late William F. Savage of Wilton. Mr. Bryant is the son of Mrs. Carol Bryant of South Paris and William Bryant of Auburn.

Miss Patti Ellen Savage

Miss Savage is a graduate of Tel- star Regional High School, Bethel; Glen Cove Bible College, Glen Cove, and the New Hampshire Vo- cational Technical College, Berlin. She majored in nursing and is em- ployed by Andrews Nursing Home, South Paris.

Mr. Bryant graduated from Ox- ford Hills High School, and is cur- rently employed by Sampson's Su- per Market, Inc., South Paris.

A May 5 wedding is planned.

Andover

— Mrs. Marjorie Jodrey, Corres. —

Laura Hutchins entertained the members of the East Andover Community Club at her home on Feb. 20.

Pres. Evelyn Bell read a poem "Dreaded Disease". Violet Swain, secretary, noted that get well cards had been sent to Lester White, George Ladd and June Hutchins. Thank you notes were read from the two local Sunday Schools for cash gifts. The Con- gregational Church Superintendent noted that the money would be used to repair a projector and to buy film strips.

Laura Hutchins, a town officer, spoke on the celebration planned for August 4 for the Town's 175th anniversary. The Community Club members voted to have a booth and would sell sandwiches, bars and beverages.

Barbara Meisner won the door prize. Each member exchanged a Valentine gift with her Secret Pal. The March 13 meeting will be with Charlotte Sennett begin- ning at 6 p. m. with a tasting supper.

Another name has been added to the "Over 70" list making a total of 19 in the community. Refreshments included a special birthday cake for Charlotte Sen- nett.

Violet Swain has been making several trips a week to Waterville to visit her father, who has been hospitalized for the past five weeks.

Leora Prentiss also has been hospitalized. She was rushed to the Medical Center on March 13 with pneumonia. She remained in the hospital 10 days. She is now at home.

school costs." Currently S. A. D. #44 members are assessed the lo- cal share of costs by a formula directly based on State valuation of the communities. By introduc- ing the number of resident pupils of each town into a formula for assessment of costs, Greenwood and Newry would realize a reduc- tion in assessments while Andover, Bethel, and Woodstock would see an increase.

Mr. Smith also reported that there had been problems with the furnaces at Telstar; with the fur- nace and plumbing at Woodstock; and that the water pipe supplying the Ethel Bisbee School had fro- zen up during the February vaca- tion.

The superintendent stated that a grant of \$1,200 had been receiv- ed for a dental health program in S. A. D. #44. Mr. Smith recom- mended that a program be devel- oped in the fall of 1979.

In presenting a status report on Bethel, Alaska, tuition students, Mr. Smith said that after confer- ring with Sigurd Knudsen of the Alaskan community, that it is now necessary to see if both school boards are enthusiastic enough to have such a program.

A report from the Telstar Stu- dent Council was presented by Maryann Jaros and John Schachter, Telstar students who reside in An- dover.

Board members not present Mon- day evening: Paul Bodwell, John Brown, Frances Gunther, Bettyann Hastings, Patricia Hudson, of Bethel; and James Sysko of Newry.

The next scheduled meeting of the S. A. D. #44 directors is to be held at Telstar Regional High School on March 12 at 7:30.
